

2021 Asia-Pacific Conference on Communications (APCC) 10-13 October 2021 // Virtual Conference

CALL FOR PAPERS

The 26th Asia-Pacific Conference on Communications (APCC) will be held on 10-13 October 2021. Given the COVID-19 pandemic the conference will be held in Virtual format, since safety and well-being of all conference participants is our top priority. Since 1993, APCC has been the forum for researchers and engineers to present and discuss topics related to advanced information and communication technologies and services, while at the same time opening the door to the world of industry and users. Prospective authors are invited to submit original technical papers for presentation at the conference and publication in the conference proceedings. Research areas covered by the conference include but are not limited to mobile and wireless communication and networks, emerging technologies, application and services. SUBMISSION GUIDELINE

All papers are subject to a blind reviewed process handled by an international technical program committee. An author of an accepted paper must register at full rate prior to uploading the camera-ready version. The maximum length of the camera-ready version is 6 pages, without incurring additional page charges. Conference proceedings that meet IEEE quality review standards may be eligible for inclusion in the IEEE Xplore Digital Library. The IEEE reserves the right to exclude a paper from distribution after the conference (e.g., removal from IEEE Xplore) if the paper is not presented at the conference.
